14. Comments/Recommendations: The Sesko trespass was identified in 1999. In June 2005 DNR removed and disposed of three vessels which Mr. Sesko left in the harbor area. The two pontoons were not removed. A claim has been made against the Sesko estate for removal, demolition, disposal and U&O fees. DNR wants the pontoons removed from state aquatic lands and all disposal, unauthorized use and occupancy fees reimbursed by the Sesko estate. Removal and disposal of the pontoons has been complicated by the Bremerton Gasworks cleanup action which is occurring in the same area.

15. Directions to site: The trespass is adjacent to the Thompson Drive street end, Bremerton WA. The trespass abuts Kitsap County parcel 3711-000-001-0409
